www.doh.wa.gov/CommunityandEnvironment.aspx

Washington State Department of Ecology [Exhibitor]
<http://www.ecy.wa.gov/toxics/index.htm>

North American Hazardous Materials Association
www.nahmma.org
A professional organization dedicated to pollution prevention and reducing the hazardous constituents entering municipal waste streams from households, small businesses and other entities.

University of Washington Northwest Pediatric Environmental Healthy Specialty Unit
<http://depts.washington.edu/pehsu/conference>

Environmental Health News
www.environmentalhealthnews.org/topic.jsp?term=Topic%2FchildrenSHealth
An independent, foundation-funded news organization that reports and publishes news stories on environmental topics.

Children’s Environmental Health Network
www.cehn.org
A national multi-disciplinary organization whose mission is to protect the fetus and the child from environmental health hazards and promote a healthy environment.

Science and Environmental Health Network
www.sehn.org. The Science and Environmental Health Network engages communities and governments in the effective application of science to protect and restore public and ecosystem health.

Public Health - Seattle King County [Exhibitor]
www.kingcounty.gov/healthservices/health.aspx

The Endocrine Disruption Exchange. Dedicated to compiling and disseminating the scientific evidence on problems caused by low-level exposure to chemicals. <http://endocrinedisruption.org>.

Resources

Many are also available in Spanish

University of Pittsburgh Cancer Institute, Center for Environmental Oncology

www.upci.upmc.edu/ceo/index.cfm#

Presenting scientific evidence linking environmental exposures and health effects, specifically increased cancer risk.

Breast Cancer Fund

www.breastcancerfund.org

Identifying and advocating for elimination of the environmental and other preventable causes of breast cancer.

Pesticide Action Network – North America (PANNA) – www.panna.org

Works to replace the use of hazardous pesticides with ecologically sound and socially just alternatives.

Beyond Pesticides

www.beyondpesticides.org

Working to protect public health and the environment to lead the transition to a world free of toxic pesticides.

Natural Resources Defense Council

www.nrdc.org/health

NRDC's mission is to safeguard the Earth: its people, its plants and animals and the natural systems on which all life depends.

EJnet.org

www.ejnet.org

Environmental justice resources for activists.

Center for Health, Environment & Justice

www.chej.org

Empowering people to build healthy communities and preventing harm to human health caused by exposure to environmental threats.

Union of Concerned Scientists

www.ucsusa.org

UCS combines independent scientific research and citizen action to develop innovative, practical solutions and to secure responsible changes in government policy, corporate practices, and consumer choices.

UW Superfund Research Program [Exhibitor]

<http://depts.washington.edu/sfund/index.html>

University of California San Francisco - Program on Reproductive Health and the Environment

www.prhe.ucsf.edu/prhe

Advancing scientific inquiry, clinical care and health policies that prevent exposures to harmful chemicals in our environment.

Safer Chemicals Healthy Families

www.saferchemicals.org

A national campaign calling for stronger federal standards on toxic chemicals.

Oregon Environmental Council

www.oeconline.org

Advancing innovative, collaborative solutions to Oregon's environmental challenges for today and future generations.

Environmental Coalition of South Seattle

www.ecoss.org/about.html [Exhibitor]

Encouraging urban redevelopment and a healthy environment by providing education, resources and technical assistance to diverse businesses and communities in the Puget Sound region.

Planned Parenthood Green Choices

www.plannedparenthood.org/about-us/boards-initiatives/green-choices-32516.htm

Includes factsheets for health care providers on cleaning products, fish, fruits and vegetables, lead, personal care products, pesticides, plastic and tobacco smoke.

Planned Parenthood Green Choices Environmental Health Assessment Form

www.arhp.org/files/Environmental_Health_Assessment_Form.pdf

Association for Reproductive Health Professionals Clinical Publications and Resources

www.arhp.org/Topics/Enviro-Repro-Health/clinical-publications-and-resources

Health Care Without Harm [Exhibitor]

www.noharm.org

www.healthyfoodinhealthcare.org

The Healthy Food in Health Care program harnesses the purchasing power and expertise of the health care sector to advance the development of a healthy and sustainable food system.

Resources

Many are also available in Spanish

Physicians for Social Responsibility Pediatric Environmental Health Toolkit

www.psr.org/resources/pediatric-toolkit.html

Women's Health and the Environment

womenshealthandenvironment.org/index.php

Working to eliminate toxic chemicals that impact women's health by changing consumer behaviors, corporate practices and government policies.

National Geographic's Green Guide

www.thegreenguide.com

Showing people how to make small changes that add up to big benefits for their wallets, for their health, and the planet.

Environmental Working Group

www.ewg.org

The mission of the Environmental Working Group (EWG) is to use the power of public information to protect public health and the environment.

Goodguide

www.goodguide.com

GoodGuide provides the world's largest and most reliable source of information on the health, environmental, and social impacts of consumer products.

Safe Cosmetics

www.safecosmetics.org

Protecting the health of consumers and workers by securing the corporate, regulatory and legislative reforms necessary to eliminate dangerous chemicals from cosmetics and personal care products.

Monterey Bay Aquarium Seafood Watch

www.montereybayaquarium.org/cr/cr_seafoodwatch/download.aspx

Raising consumer awareness through outreach to consumers to purchase safe seafood from sustainable sources.

HealthyStuff

www.healthystuff.org

Researching toxic chemicals in everyday products.
